

Petitioners Notice of Compliance with Court Order (Health Insurance & Health Savings Account access)

CASE DF-24-18010

IN THE MATTER OF THE MARRIAGE OF

GWENDOLYN ULIJASZ, Petitioner

AND

JASON McKEMIE, Respondent

IN THE 302nd JUDICIAL DISTRICT COURT

DALLAS COUNTY, TEXAS

PETITIONER'S NOTICE OF COMPLIANCE WITH COURT ORDER

Petitioner files this Notice to confirm compliance with the Court's order regarding reinstatement of health insurance coverage and delivery of the Health Savings Account (HSA) card.

Petitioner confirms that health insurance coverage has been reinstated as directed by the Court. Petitioner was alerted of the issue by the court order and escalated to senior HR leadership for faster research and resolution. Reinstatement was complete in a matter of days thereafter. In the email from her employer's HR that Petitioner read outloud to the Respondent and the Court confirmed this was an Employer mistake, that the coverage reinstatement was being expedited, that there would be no gap in coverage, and that the Respondent will lose his health insurance provided by the Petitioner's employer on February 24, 2026 in conjunction with a divorce ruling. Eligibility determinations and coverage status are controlled by the employer and plan administrator, not by Petitioner.

The insurance card and the prescriptions card and coverage remain the same.

With respect to the Health Savings Account ("HSA"), Petitioner confirms compliance with the Court's order. Access to the HSA card was addressed promptly upon discovery that she had no functioning card for either herself or Respondent. The account had not been used all year in anticipation that because this was community property it would be decided at trial. At that time replacement cards were requested for both Petitioner and Respondent on December 18, 2025, and those cards were issued and delivered to her on December 23, 2025. They were physically received by the Petitioner when she came home from holiday travel on December 28th.

A physical HSA card for Respondent, together with activation instructions, was then physically provided to Respondent in the presence of the Court on January 6, 2026.

No separate HSA portal is available for dependents to the best of Petitioner's knowledge. A portal and a password is not required to utilize the physical HSA card for qualified expenses, whether in person or online.

To ensure proper documentation and avoid tax and penalties, Respondent may submit receipts for qualified medical expenses by email to Petitioner, consistent with the process previously used by the parties but in a timely manner. Petitioner requests the Court's awareness that this has been an issue in the past resulting in tax and penalties.

Respondent repeatedly and incorrectly continues to assert that

- health insurance removal in 2025 was a result of the Petitioner's intentional actions,
- continued insinuations that insurance was not continuous and , that as a result , \$30,000 of Respondent's recent medical claims during what is now a non-existent gap period will not be paid;
- that Petitioner continues to restrict HSA access because he does not have her portal account password.

Petitioner attaches limited documentation solely to confirm compliance and avoid future confusion.

Respectfully submitted,

Gwendolyn Ulijasz

Subject: Benefits Coverage

Hi Gwen.

As we discussed, your husband (Jason McKemie) was mistakenly dropped from coverage due to a misunderstanding at our Benefits Center. It appears they thought your husband was no longer eligible for coverage, so contrary to your wishes, they terminated coverage.

I have directed them to reinstate coverage, with no gap in care, and asked them to send urgent eligibility updates to our medical and pharmacy vendors. It may still take a couple of days to get through their internal systems, but will be much quicker than waiting to our next eligibility file.

Please note, that once you are divorced, your husband will no longer be eligible for Accenture coverage, but will be eligible for COBRA.

Please let me know if you have any questions, or need anything further.

Health Saving Account (HSA) Dependents

This is the list of eligible dependents you think may use your Health Savings Account (HSA) funds. You can add, edit or remove your dependents at any time.

Adding dependents here can make it easier to track your HSA expenses. It will let you link your dependent to their expenses on the HSA Transaction pages. And when you request funds from your HSA, you can select who the expense is for.

Dear GWENDOLYN,

This notice confirms we received your request for an Inspira debit card.

- If you made this request, you don't need to do anything else.
- If you didn't make this request, email us immediately at accountsecurity@inspirafinancial.com.

Sincerely,
Inspira Financial

Exhibit C: Proof no password or anything further needed from Petitioner to use the account funds

your card will be activated.

After I activate my card, when can I start using it to pay for eligible expenses?

You can use your card as soon as you activate it. But you'll need to have funds in your account to use the card. You can view your account balance online or through the Inspira Mobile app. You'll use the same username and password for both.

If I activate my card and then order a card for my spouse or dependent, do they need to activate their new card?

No. If your card is already active, your spouse or dependent does not need to activate their new card. This means your spouse or dependent should be able to use their card as soon as they receive it. If someone tries to activate an active card, they'll hear this message: "Our records indicate this account has already been activated. Please contact the customer service phone number on the back of your card if you need further assistance."

If I receive a replacement card, do I need to activate it?
