**RESPONDENT’S NOTICE OF BANKRUPTCY AUTOMATIC STAY**

1. Defendant Jason McKemie files this **Notice to inform the Court that his Chapter 7 Bankruptcy Case** pending in the **United States Bankruptcy Court for the Northern District of Texas, Dallas Division, Case No. 26-30161-MVL**, has been reinstated following a brief administrative dismissal caused by a document deficiency during a recent hospitalization.
2. On February 18, 2026, the Bankruptcy Court entered an **Order Granting Motion to Vacate Dismissal Order and Reinstate Bankruptcy Case**, thereby vacating the prior dismissal and reinstating the case effective as of that date.
3. As a result of the reinstatement, **the automatic stay pursuant to 11 U.S.C. § 362 is in full force and effect as of February 18, 2026.**
4. The automatic stay operates to halt the commencement or continuation of judicial proceedings against the debtor and prohibits actions to obtain possession of, or exercise control over, property of the bankruptcy estate.
5. The pending eviction appeal concerns Defendant’s residence and implicates possessory and property interests subject to the protections of the automatic stay.
6. Defendant further provides notice that the Section 341 Meeting of Creditors was conducted on February 17, 2026, and the assigned Chapter 7 Trustee is actively reviewing the financial history of the estate, including **(i) significant shifts in debt allocation between the parties, (ii) the discontinuation of longstanding automated payoff practices, (iii) the rapid escalation of revolving credit balances within a compressed time period, and (iv) corresponding asset movements occurring in the months immediately preceding the parties’ separation.**

WHEREFORE, Defendant respectfully notifies this Court that the automatic stay is reinstated and in full effect and requests that no further proceedings occur in this matter absent relief from stay granted by the United States Bankruptcy Court.

Respectfully Submitted,

**Jason McKemie**
